# SPORTS

## LITERACY

This half term we are going to continue working on non fiction writing. Writing information leaflets on their chosen sports. We will also be writing newspaper articles about famous sporting events. As well as, choosing a famous sports person to write a biography on. And using persuasive writing to encourage continue to join their sports.

## NUMERACY

We will be learning about: time, fractions and shape.

Time: telling the time to 5 and 1 minute, reading time on a analog and digital clock and using am and pm.

Fractions: Understanding fractions including, fractions as a whole and a part; making Understanding fractions.

Shape: Understanding turns and angles; clockwise and anticlockwise and North, South East and West.

## TOPIC

Our topic is sports. During this topic, children will be completing a solo project on a sport of their choice. We will be having a bike/scooter week. Where children can bring in a bike/scooter. We will be riding them in the playground, exploring different surfaces for riding and learning about how bikes work. We will be learning about major sporting events around the world and different sporting celebrations.
