

## HEAD LICE

Don't forget to check your child's hair for headlice – we have quite a few reports at present of them being about. It's not just the younger children, you can get them at any age! It's best to have a check every couple of weeks by combing through wet hair with conditioner and a nit comb.

## Medicines in school

If your child needs any form of prescribed medication during school hours, a form must be completed at the office. Please do not send your child into school with any form of medicine, calpol, cough sweets etc without checking with the office first. We have set protocols that we have to follow.

On Friday 17<sup>th</sup> March we shall be taking part in Comic Reliefs 'Red Nose Day.' Children will be able to dress in red or wear non-uniform for the day.

If you are able to spare a monetary donation this would be very welcome.

*Please note - Pokemon cards are currently banned from school.*

We shall end the term on 6<sup>th</sup> April with our Easter Bonnet Parade, and egg rolling down the school field.

## Braddan School Dates for your Diary

date	Year groups involved	event	What do I need?
