

We hope everyone enjoyed the TT break, especially with the lovely weather. Please can I remind you all that your children need to have a water bottle in school with them each day.

When we have a prolonged period of warm weather it can become very hot within the classrooms, and we like to get outside as much as we can. However we also need to ensure children's skin is protected, so that means having sun screen applied at home, and sending your child to school with a

sunhat. We can all be guilty of not taking sun

safety seriously at times, but it is worth remembering that the most deadly form of skin cancer, melanoma, can develop later in life from just one severe childhood sunburn.

We have an increasing number of children bringing mobile phones with them into school. This is not appropriate in a Primary school setting, and both children and parents are reminded of this regularly. If mobile phones have to be brought into school then they must be stored during the day in the school office.

School reports will be sent out on 7th July, and we hope you find our new format informative and easy to understand. As usual we will include your child's attendance data. Any attendance below 90% over the school year is classed as 'persistent attendance,' whether this includes authorised absences or not. We would like to remind you that if you need to take your child out of school for a planned absence, then

permission needs to be sought from the Headteacher by completing a leave of absence form (available from the school office or on the website.)

You may be missing Mr Quinney this half term, I know everyone in school is! Mr Quinney will be absent for approximately 5 months as he undergoes surgery in the UK, followed by a period of recovery. I'm sure you will all join us in wishing him a very speedy return to health.

We were sorry to see our school cleaner Mrs Clarke leave us at the end of last half term, we wish her all the best in her new school.

Mr Corlett will be leaving Braddan at the end of the school year, to embark on a totally new and exciting career in air-traffic control. He is a man of many talents – as those of you who saw him limbo at sports day will agree!

On 10th July the children will be spending the day in their new classes for September. We will be in touch nearer the time to keep you informed of any reorganisation with classes that is needed for September.

DATES FOR YOUR DIARY

13.6.23	Parents of children new to Reception	New Reception Parents Meeting	Make sure you have signed up any children due to start in September
