

We are pleased to be able to tell you that. Toddlers United, the children's day care provider based at Union Mills football club, is now operating a Breakfast Club. This will be especially helpful for anyone needing to drop their children off before 8.45am in the morning. You can contact them on 07624 231569.

As you may be aware, a 'pause' has been put on all Island Schools covering their Sex and Relationships Curricula at present. However, years 5 and 6 will still be covering the 'biology' aspects of the science curriculum this half term, which includes learning about puberty. If any parents have questions about this please do come in and ask.

Toy Sale

One of our enterprising pupils has had an idea to run a second - hand toy sale to raise funds for school. What a great idea! This will take place on Friday 30th June.

We will need donations of pre-loved toys, but please make sure they still have plenty of life in them, are clean and not broken. We will accept donations on Thursday 29th, then we can price things up and be ready for the sale on Friday.

Parent Questionnaire

You will all be receiving a parent questionnaire in the coming days. It is really helpful if you can complete and return this to school, as your views and opinions are really important to us. The information will be really helpful for Mr Chapple too, as he settles into his new role in September. Questionnaires need to be returned by 30th June. A paper copy will be sent home with every child, but a copy will also be included with this newsletter.
