

Our PE kit is really simple. A pair of black shorts or a skirt, paired with a T - shirt of the child's team colour. These can be with or without a logo.

In the summer months, when children might have PE sessions on the field, they will also need a sun hat or cap.

Children need a bookbag, and a PE bag - they don't need huge backpacks - we don't have room in our cloakrooms!

A water bottle is a **MUST HAVE**.

During the summer some of the pupils like to wear a summer dress, (but shoulders must be covered) and black or grey tailored shorts are also an option.

Open toe sandals, or shoes with heels are not safe for playing in outside on the playground or field.

# UNIFORM

At Braddan we want our pupils to look smart and feel smart. Our uniform is simple and easy, and can be purchased locally. It consists of grey or black trousers, or a grey skirt or pinafore. This combines with a red or white polo shirt (ie a shirt with a collar). Pupils can wear either a red cardigan or jumper, with or without a school logo.

Tights or socks must be worn - red, white, grey or black.

It is very important for children to wear appropriate footwear, as their feet are still developing. Shoes need to be properly fitted and offer support and protection. They need to be able to run around and jump about in them.

Our uniform is black shoes, or smart all black trainers can also be worn. During the winter pupils may wear black boots, but these also need to be suitable for running around in.

If your child needs to wear alternative shoes, (for example if shoes are outgrown and you are waiting to get a new pair), please let the office know.

We also have fleece jackets that children can wear, and showerproof jackets are also available.

If a child does not have appropriate uniform, we may ask them to wear a uniform item from our 'spare uniform' box.

Hair needs to be smart in appearance, and long hair should be tied up. Hair ribbons, bows and clips are permitted, but should be suitable for PE lessons.

We have lots of recycled uniform for sale at bargain prices - so don't forget to have a look if you need to replace anything.
