Home learning

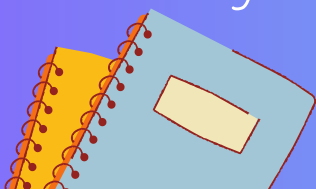

Home learning will start this half term. which will include challenges around our 3 value statements, topic activities and ideas to support their maths and writing. These aim to be 'relaxing and fun' so that you do not have additional pressures in your very busy lives. Reading Eggs and ItsLearning will continue to be available and your child is encouraged to create their own projects about our topic to share at school.

Topic

Our topic this half term is 'Celebrations'. We will be exploring different parts of the world and how they celebrate.

Halloween, Bonfire night, Chinese new year, St Andrews Day, Hanukkah, Diwali- festival of light to name a few.

Please email Enquiries@Braddan.sch.im if you have any questions or wish to discuss your child's learning or wellbeing.

Literacy

This half term, we will be finishing learning Phase 5 phonics- graphemes and phonemes.

There will be home learning.

available on ItsLearning for Phonics.

In addition, we will continue to develop our writing skills based from two books - *The Colour Monster* and *Be more Bernard*.

Science

Mr Chapple will continue to teach Science. The children will carry on learning about 'Living things and their habitats'. As well as, 'Working Scientifically' where the children will be making predictions.

PSHE

This term we are focusing on 'Me and My World'.

through this we will learn about Manx traditions in celebrations and discuss what it means to live on the Isle of Man. This links perfectly to our new topic.

Metacognition

Our Metacognition curriculum offers a variety of skills based learning experiences that help children to become emotionally literate and develop an understanding of how they learn best. We do this through our school values and encouraging our learners to build their social, emotional, physical, and moral wellbeing.

Mathematics

Throughout this term we are working on Addition and Subtraction. Followed by Shape where we will be exploring 2D and 3D shapes in further depth.

such as sorting, counting, and recognising.

RE and Music

RE: Over the term we are going to be learning about Celebrations and Manx traditions.

Music: We will be focusing on- 1. Choosing sounds to achieve an effect. 2. Ordering my sounds to help create an effect.

3. Creating short musical patterns. 4. Developing a sequence of long and short sounds.

These subjects are led by Mrs Clague.

Geography

We will be using our favourite class song to find different continents/countries on a map. Then exploring these places into further depth.
