## TOPIC

### Super Slieau - all about mountains!

We will be finding out about mountains near and far, learning how they are created, how their features shape over time, and their climate and weather.

## Metacognition (learning how we learn)

Our curriculum offers a variety of skills based learning experiences for the children to understand how to talk about their learning and emotions, which will support their personal learning journey.

We have lessons that encourage children to consider their social, emotional, physical and moral wellbeing, and to raise awareness and tolerance of different beliefs and cultures.

### HOME LEARNING

Reading at home is the most important activity to help with learning.

Itslearning activities are available too.

Look out for our mini Wonka topic covering English and PSHE skills!

### Year 4 Scooter Skills

5th February - look out for details

### Year 5 Cycling Proficiency

Week of 26th February - look out for details

### Don't forget!

PE: Mondays

Swimming:  
Wednesdays

Forest School:  
Wednesdays

## LITERACY

### EVEREST - ALEXANDRA STEWART & JOE TODD-STANTON

Our literacy focus will be *Everest*, including creating fact files, narratives, diaries, debates and poetry. We will also be practising our spelling, handwriting and grammar skills.

[Year 4 list](#)

[Year 5 list](#)

## NUMERACY

This half term we are studying area, length, perimeter, multiplication, division, fractions, decimals and percentages. A good knowledge of times tables is a must for understanding many of these topics, so have a look at itslearning and TT Rockstars for more practice.

[Top marks Games](#). [ItsLearning](#)

## OTHER AREAS OF LEARNING

Our Science focus will be water and states of matter. Geography, Music, ICT and History skills will be studied within our topic. Our PE focus is athletics, but we will have opportunities to learn golf, swimming and cricket. PSHE will be about making healthy choices.
